Norths has made the tough decision to close the squash courts at Norths Cammeray in June 2026. Therefore we bring this to the attention of anybody wanting to join to use these facilities, as it would be inappropriate for us to accept your membership without advising you of this. What this means is that new members shall not be entitled to use the squash courts.

NORTHS+ REWARDS

Norths+ Rewards is a tiered Member Rewards Program that is exclusive to the Norths Collective. You can start earning Collective Points as soon as you become a member and you can continue to earn points when you correctly use your membership card for gaming, bar and dining transactions. You can also earn points through a variety of promotions.

There are five different levels or tiers in the Norths+ Rewards Program. The level you are on is based on the status points you have earned in a six-month period. The more points you earn the higher the tier and the more rewards you receive. The five levels are Bronze, Silver, Gold, Platinum and Diamond.

Once you qualify for a higher tier, your tier will be upgraded immediately. However, you can only be moved down once every 6 months, so if you are away for an extended period of time, like an overseas holiday you won't necessarily lose your tier ranking. You are automatically linked to the Norths+ Rewards Program (Bronze Level) when you become a member, however you have the choice to opt out of the program if you do not wish to participate.

Reward points will expire on December 31 for Bronze, Silver and Gold level members.
